

CARE Committee
September Giving Month

For the past three years our members have contributed so generously to our Giving Month projects that the CARE Committee and the synagogue would like to say “Thank You” again. On September 7 and 8 we will deliver a free delicious challah to all local members in good standing.

We still need more volunteer drivers. If you are ready and able, please reach out ASAP so you can be part of this wonderful team.

You do not need to be home at the drop-off time, but if you will be on vacation, please let us know and we won't deliver a challah to you. Challahs will be double bagged and can be put somewhere safe until you arrive home later on the delivery day.

Monetary donations to help offset our cost are welcome. Please send your check made out to JCCP/CBT and mark the envelope **September Giving Month.**

Thank you to everyone in advance
